

# A 30 YEAR LEGACY OF EXCELLENCE AND EMPATHY: INDIRA GROUP OF INSTITUTES (IGI), PUNE

Founded in 1994, the Indira Group has been a beacon for students striving to excel in diverse fields. Over the past three decades, it has empowered countless students with career-focused programs, leading to thriving alumni in top multinational corporations and successful global entrepreneurs.

Today, the Indira Group is a highly regarded educational consortium in India, offering top-notch education in management, engineering, architecture, pharmacy, mass communication, commerce, science, IT, aviation management, music and schooling. Known for its innovative teaching methods and holistic educational approach, we have received Autonomy by UGC and our affiliated institutes are recognized by Savitribai Phule Pune University, approved by AICTE/UGC (New Delhi), accredited by NAAC/NBA, and consistently ranked well in the National Institutional Ranking Framework (NIRF).

In its 30-year journey, the Indira Group has firmly established itself as a symbol of educational prowess, garnering numerous awards and accolades from prestigious organizations. This is a testament to its dedication to value-based education, innovative teaching methods, and a remarkable placement record, with over 500 companies visiting its campus annually.

## INDUSTRY -ACADEMIC INTERFACE

The Industry-Academia Interface is characterized by an interactive and cooperative relationship between academic institutions and corporate enterprises, working together to achieve shared goals and objectives. Through numerous robust partnerships with industry leaders, we ensure that the education provided to our students across various courses results in the development of expertise and skills tailored to meet the precise needs of the corporate world.

Their primary aim in delivering the finest industry-academia Interface to students that extends beyond offering exclusive opportunities for professional education. It also encompasses equipping them with a high level of conceptual understanding.
